

# 5 TOP TIPS FOR YOUR WEDDING CEREMONY

## KEEP IT SIMPLE

Less is more when it comes to your ceremony. Instead of having lots of readings, choose one or two that really mean something to you. Keep the majority of your posed photos for the drinks reception - guests will get restless otherwise!

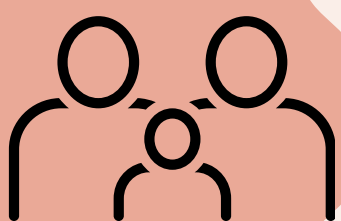

## CHECK THE GUIDELINES

Not only Covid guidelines for your area but also anything that is restricted by your registrars. Currently you are not allowed any religious music at a civil ceremony so just double check everything you can have everything you've chosen!

## HIRE A HARPIST

Having live music at your ceremony really adds to the atmosphere of the day - and what's more romantic than a harpist? Check out [www.harrietflather.co.uk](http://www.harrietflather.co.uk)

## INVOLVE YOUR CLOSE FRIENDS & FAMILY

While the father of the bride automatically has a role, why not involve siblings and mother of the bride & groom?

## USE YOUR USHERS

Your ushers are a very important part of your day and can help with all your logistics, including seating your guests and handing out confetti and orders of service.
