Why Harriet?

Harriet considers every booking a privilege; you have invested trust, faith and your hard earned money in Harriet.

Harriet is a highly musical harpist and aims to create a story and atmosphere with every piece she performs. The joy of performing for Harriet comes from the look on peoples' faces when they first see the harp, or the look of awe in childrens' eyes when they hear the unique sound.

But mainly it's about delivering the very service possible. Having a harpist at your wedding adds a truly unique touch to your day; be it for walking down the aisle or to set the scene for your drinks reception, Harriet can help.
