Harpist

[WWW.HARRIETFLATHER.CO.UK](http://WWW.HARRIETFLATHER.CO.UK)

I have been playing the harp since 2004 when I saw a picture of one at school and thought it looked pretty!

*"Having Harriet play the harp at our wedding was something we were really looking forward to, and she did not disappoint! We had so many comments on how great she was and how recognisable all the songs were. Harriet was so easy to communicate with from the first enquiry up to a final check in before the wedding. Thank you so much, you really added an extra special touch to our wedding!"*

*"Simply amazing! Everyone loved her."*

*"From the booking process to the wedding, she made everything so easy and stress free. She was always there on an email to answer any questions and her questionnaires made it really easy to communicate. On the day, she played beautifully and got our chosen song down the aisle spot on, there was even a few tears. The songs she played at the Reception were beautiful and it was a great addition to the day. Everyone commented on how great the music was!"*

*Thank you so much for making our day so perfect!"*
